

A Wild in Art event delivered in partnership with Birmingham Children's Hospital Charity

# Bones

**School:** Kingsbury School and Sports College

This x-ray owlet was originally designed by Year 9 students, Marlon Jordon and Mariam Ismail. Marlon particularly enjoyed studying surrealism in art lessons and has incorporated this technique in his design. Mariam's ideas used images and logos representative of Birmingham that were built into the final design, which is clever, challenging and fun.
