

A Wild in Art event delivered in partnership with Birmingham Children's Hospital Charity

# Emojiowl

**School:** King Edward VI Sheldon Heath Academy

Emojiowl was designed and created by Chloe Hayward in Year 8. Its Emoji-like symbols create a sense of fun but also acknowledge these widely accepted forms of shorthand communication for computers and mobile devices. Its eyes feature the Academy House colours, while individual symbols represent the emotional transition students go through during secondary education, subjects studied and values upheld at this Academy.
