

A Wild in Art event delivered in partnership with Birmingham Children's Hospital Charity

Together

School: Lyndon Green Junior School

Together is an assimilation of Gracie Roath and Danielle Wright's separate designs. The first involved every child in the school, and others in the community, adding their fingerprint to the owl, representing each participant's individuality. The second saw members of the wider community nominating the flags of countries their families are connected to. Together shows that through individuality and diversity, there is unity!
